By signing this form, the applicant is certifying that the owner, excavator, and crew are familiar with all laws and regulations applicable to work proposed, including OSHA regulations, MGL c. 82A, 520 CMR 14.00, 520 CMR 7.00 et seq., Street Opening and/or Property Development requirements, by-laws and regulations and the applicant, owner, and excavator agree that all work done under the permit issued for such work will comply therewith in all respects and with the conditions set forth below. By signing this form, the applicant acknowledges that permission has been granted by the property owner and the business owner to apply for the permit and the excavator to undertake such work on the property of the owner, and also, for the duration of construction, authorizes persons appointed by the municipality to enter upon the property to monitor and inspect the work for conformity with the conditions of above stated laws and ordinances, and the laws and regulations governing such work. The undersigned applicant agrees jointly and severally to reimburse the municipality for any and all costs and expenses incurred by the municipality in connection with this permit and the work conducted thereunder, including but not limited to enforcing the requirements of state law and conditions of this permit, inspections made to assure compliance therewith, and measures taken by the municipality to protect the public where the applicant owner or excavator has failed to comply therewith including police details and other remedial measures deemed necessary by the municipality. The undersigned applicant agrees to defend, indemnify, and hold harmless the municipality and all of its agents and employees from any and all liability, causes or action, costs, and expenses resulting from or arising out of any injury, death, loss, or damage to any person or property during the work conducted under this permit.
