GREEN Approved: January, 2006

Report Created: August, 2006

Project GREEN (Growing Raynham Environmentally Efficient Now) was approved by the Town of Raynham Economic & Business Development Commission unanimously at their January, 2006 meeting. At the January 16, 2006 meeting of the Town of Raynham's Conservation Commission a vote was taken and passed to support the initiative. It was approved by the Town of Raynham's Board of Selectmen at their January 24, 2006 meeting unanimously.

The goal of Project GREEN was to undertake an audit of the Town of Raynham's property that is zoned business/commercial that is vacant (at time of audit) and compile it in said report to be made available to the public/interested parties looking to locate in Raynham.

This report shall also be located and available at the Town of Raynham's website (www.Town.Raynham.MA.US).

Special thanks should also go out to the property owners and their representatives for their cooperation in and support of creating this report.

On the following pages, you will find the property's found to be vacant and available for sale and/or lease in the town.

Questions on the report may be directed to:
