### **Billing payment procedures**

For sewer user billing payments, some options are in place.

In speaking with the Tax Collector on this topic he has informed me that there are a few options that our users could utilize for payment of their bills.

1. Users can pay by electronic check or credit card if utilizing the Town's online payment platform, Unipay. A link is located on the Town's Website ([www.town.raynham.ma.us](http://www.town.raynham.ma.us)) under "Online Payments."
2. Users can also set up an automatic payment process in Unipay where the sewer usage fee would be automatically withdrawn from the account that they wish to utilize. *Please note that you are responsible for stopping any automatic payments if you no longer own the property.*
3. Users can also still mail in their bill payments or place them in the drop box located outside the Town Hall entrance. *The Sewer Department will not be responsible for bills or payments lost in the mail. (Please follow up to verify that your payment has been received)*

Note: If you have an overdue payment, please contact the Tax Collector's Office for the outstanding balance

The Sewer Department bills in arrears utilizing a bi-annual billing cycle.

Our billing cycles run:

- |  |  |
|--|--|
| January 1 <sup>st</sup> . through June 30 <sup>th</sup> .  | The bill would typically be received by our users for this billing cycle in September. |
| July 1 <sup>st</sup> . through December 31 <sup>st</sup> . | The bill would typically be received by our users for this billing cycle in March.     |

Very truly yours,

Robert A. Carey  
Superintendent
